

# Ashley Tisdale, Be Good To Me (Album Version)

Everyday is getting worse  
Do the same things and it hurts  
I don't know if I should cry  
All I know is that I'm tryin'  
I wanna believe in you  
I wanna believe in you (but you make it so hard to do)

What's the point of makin' plans  
you break all the ones we had  
I don't know where we went wrong  
'cause we used to be so strong  
I wanna believe in you  
I wanna believe in you

So why can't you be  
Be good to me

Chorus:  
I don't ask for much, all I want is love  
Someone to see, that's all I need  
Somebody to be, Somebody to be, Somebody to be  
Good to me, good to me, can you be good to me  
Good to me, please

I used to think I had it all  
Then one day we hit a wall  
I had hoped you were the one

where's my dream, where has it gone?  
I wanted to be with you  
Forever just me and you

So why can't you be  
Be good to me

Chorus

David Jassy:  
What up Mammy. What it is, What's good?  
I'll make you shine like a star up in Hollywood  
I'll be your knight in shining armor  
Your prince into saga  
Never Catch me brining drama  
Never that, roll. You're goin' to clubs like Monopolies  
Smiling like you won a mil. from a lottery  
I'm a be what you've been waiting  
Jazz up your world, Miss Ashley Tisdale

Bridge:  
Where do I go from here  
You've got it under my skin  
And I don't know how  
To get out of this place that im in

Chorus 2x
