

# Ashley Tisdale, How Do You Love Someone?

Momma never taught me how to love  
Daddy never taught me how to feel  
Momma never taught me how to touch  
Daddy never showed me how to heal  
Momma never set a good example  
Daddy never held mommas hand  
Momma found everything hard to handle  
Daddy never stood up like a man  
Ive walked around broken, emotionally frozen  
Hanging on, get it wrong  
How do you love someone without getting hurt  
How do you love someone without crawling in the dark  
So far in my life clouds have blocked the sun  
How do you love, how do you love someone  
How do you love, how do you love someone  
I was always a chosen child  
The biggest scandal I became  
They told me Id never survive, but survive was my middle name  
Ive walked around hoping just barely broken  
Hanging on, get it wrong  
How do you love someone without getting hurt  
How do you love someone without crawling in the dark  
So far in my life clouds have blocked the sun  
How do you love, how do you love someone  
How do you love, how do you love someone  
Its hard to talk to see whats deep inside  
its hard to tell the truth when you always lie  
How do you love someone without getting hurt  
How do you love someone without crawling in the dark  
So far in my life clouds have blocked the sun  
How do you love, how do you love someone  
How do you love someone and make it last  
How do you love someone without tripping on the past  
So far in my life clouds have blocked the sun  
How do you love, how do you love someone  
How do you love, how do you love someone  
Someone
