

Ashley Tisdale, If my life was a movie

If my life was a movie
I was scripted so differently
Starting with the scene where you left me
See I changed the part where I break down into tears
If my life was a movie
I would be so cool
I wouldn't miss you
I wouldn't hate you like I do
I would just move on
I would be so strong
I would be better without you
Cause in Hollywood, things always end up like they should
And it's all good
If my life was a movie
It would not be, no tragedy
I will not let you get to me
I would ride up in the sunset
You'd be easy, easy to forget
By produce it, directing it
I would be so cool
I wouldn't miss you
I wouldn't hate you like I do
I would just move on
I would be so strong
I would be better without you
Cause in Hollywood, things always end up like they should
And it's all good
Hollywood, it's all good, good, good, good
If my life was a movie
I would be so cool
I wouldn't hate you
I would just move on
I would be better without you
I'd be cool
We'd be true
Cause I wanted love too
I'd be strong
You'd be gone
Because I love you
I would not break down
I just wouldn't know how
I wouldn't miss a thing
Cause in Hollywood, things always end up like they should
I would be so cool
I wouldn't miss you
I wouldn't hate you like I do
I would just move on
I would be so strong
I would be better without you
Cause in Hollywood, things always end up like they should
And it's all good
It's all good, Hollywood
It's all good, Hollywood
Cause in Hollywood, things always end up like they should
And it's all good
