

Ashley Tisdale, It's Life

I don't know what I'm doing
I say the wrong things half the time
I'm only human
Not anything you can't define
I'm rushing day to day
To find my way
To where I'm going
Don't try to fight me
I'm all I can be

Sometimes it's hard
No matter who you are
It's life (it's life)
Yeah, it's life (it's life)
And I'm just trying to get it right (yeah)
Sometimes I feel
Like this whole thing isn't real
It's life (it's life)
Yeah, it's life (it's life)
And I'm just trying to get it
I'm trying to get it right

I can't keep living
Counting every breath I take
Just wanna jump in
Into the water so I wait
I'll make mistakes
I'll take the breaks
But I'll say something
Don't try to crowd me
Just give me time
And give me space

Sometimes it's hard
No matter who you are
It's life (it's life)
Yeah, it's life (it's life)
And I'm just trying to get it right (yeah)
Sometimes I feel
Like this whole thing isn't real
It's life (it's life)
Yeah, it's life (it's life)
And I'm just trying to get it
I'm trying to get it right

Let's go, let's go
Everybody wants to know
Where I'm gonna go
But I'm just gonna fly
Staying strong, holding on
That's just what's going on
And when I get it wrong
I know that I'll survive
Check that, check that
Never thought I'd look back
And say that I was too afraid to try, oh

Sometimes it's hard
No matter who you are (no matter who you are)
It's life (it's life)
Yeah, it's life (it's life)
And I'm just trying to get it right (yeah)
Sometimes I feel
Like this whole thing isn't real

It's life (it's life)
Yeah, it's life (it's life)
And I'm just trying to get it
I'm trying to get it right

Yeah Yeah
Yeah, it's life
Yeah Yeah
I'm trying to get it right
Yeah Yeah
It's life
