

# Ashley Tisdale, Over It

(Telephone ringing)  
(Boy) Hello?  
(Ashley) Hey you know what?  
I don't need this.  
I can not believe you  
Over her?!  
And why you gotta lie about it?!  
That's it, I'm over it

Every time I saw you, I tried to pretend  
Now I think you're caught in a spin  
Said that I could trust you be my everything  
Fallin' from the shadows, now I see

All those times were wasted  
And you tried to hide it from me

I don't care what you're sayin'  
I don't care what you're doin'  
Never really had me  
I'm over it  
So why is it so hard to see  
All the lies you're tellin' me  
I'm gettin' out, I'm movin' on  
I'm over it

I'm over it  
I'm over it

Tried to walk away  
But my heart was saying no  
Can't believe it took so  
Long to go  
Now the past is fading  
I hardly know your name  
Don't know what you're doing  
You lost the game

All those times were wasted  
And you tried to hide it from me

I don't care what you're sayin'  
I don't care what you're doin'  
Never really had me  
I'm over it  
So why is it so hard to see  
All the lies you're tellin' me  
I'm gettin' out, I'm movin' on  
I'm over it

I don't care (I'm over it)  
Whatever (I'm over it)  
So why is it? (I'm over it)  
Getting... (I'm over it)

All those times were wasted  
And you tried to hide it from me

I don't care what you're sayin'  
I don't care what you're doin'  
Never really had me  
I'm over it  
So why is it so hard to see  
All the lies you're tellin' me

I'm gettin' out, I'm movin' on  
I'm over it

I don't care what you're sayin'  
I don't care what you're doin'  
Never really had me  
I'm over it  
So why is it so hard to see  
All the lies you're tellin' me  
I'm gettin' out, I'm movin' on  
I'm over it

I'm over it  
I'm over it (uh huh)  
I'm over it  
I'm over it  
I'm over it (over you baby)  
I'm over it

(Laughing)
