

Ashley Tisdale, Whatcha Waiting For

1.

We gotta talk there's a rumor I heard
It's legitimate I found out from her
After all I've done is it what I deserve
Stupid me I thought our love was for sure
If you did it, then admit it
Cause it's written all over you two
Called your bluff, Had enough, I'm so over it
You'll be sorry, but don't worry
Cause I already found somebody new
Tough luck, You suck, That was such a waste
Ref.

Watcha waiting for
Come over and give it to me
Watcha waiting for
I already know what you did
Watcha waiting for
Watcha running from
Baby, baby, baby
Why you're cheating on me?
Watcha waiting for
I'm everything you'll never be
I'm walking out the door
Go ahead and crawl on your knees
Watcha waiting for
Watcha running from
Baby, baby, baby
How could you do this to me?

2.

Don't get it twisted I need nothing from you
So pack your bags and your Guitar Hero too
They say that breaking up is a hard thing to do
But oh so easy when you're dumping a fool
If you did it, then admit it
Cause it's written all over your face
Called your bluff, Had enough, I'm so over it
You'll be sorry, but don't worry cause
You're really not that to replace
Tough luck, You suck, That was such a waste
Ref.

Watcha waiting for
Come over and give it to me
Watcha waiting for
I already know what you did
Watcha waiting for
Watcha running from
Baby, baby, baby
Why you're cheating on me?
Watcha waiting for
I'm everything you'll never be
I'm walking out the door
Go ahead and crawl on your knees
Watcha waiting for
Watcha running from
Baby, baby, baby
How could you do this to me?

La la la la la la
That don't work anymore
Shut your mouth
I don't care
Game is over
La la la la la la
Heard it all before
No way back

You so whack
You're a loner, loner
Watcha waiting for
You messing with my heard
I can't take this no more
And all the things you said
Ref.
Watcha waiting for
Come over and give it to me
Watcha waiting for
I already know what you did
Watcha waiting for
Watcha running from
Baby, baby, baby
Why you're cheating on me?
Watcha waiting for
I'm everything you'll never be
I'm walking out the door
Go ahead and crawl on your knees
Watcha waiting for
Watcha running from
Baby, baby, baby
How could you do this to me?
Ah, ah, ah, ah,
ah,ah,aaah
Ah, ah, ah, ah,
ah,ah,aaah
Ah, ah, ah, ah,
ah,ah,ah,ah
Baby, baby, baby
Why you're cheating on me?
Ah, ah, ah, ah,
ah,ah,aaah
Ah, ah, ah, ah,
ah,ah,aaah
Ah, ah, ah, ah,
ah,ah,ah,ah
Baby, baby, baby
How could you do this to me?
