Ashtray Hearts

Miscellaneous

Anyones Guess

I had a lot of time

I heard a lot of truths

I had a lot of miles I didnt use

I had some room

No I dont mind

I brought the things you left behind

You found a room

where you could sleep

Gave back the things

you couldnt keep

The things you said

they sounded fair

It wasnt right to be there

You said yourself

Its anyones guess

Where youll end up in the end
