baby tell me whats the deal, deal, deal.
can i keep it real, real, real.
tell you how i feel, feel, feel.
here goes, here goes
i'm ready for all the things baby that you wanna do
but first i gotta know if i can get it a small commitment from you.
okay, okay, okay
tell me you'll wait, wait wait
i know you wanna make it rain for me.
no more drama.
no more pain for me.
maybe we can hold hands.
if you were my boyfriend.
i know you'll give me the moon and the stars above.
that has no meaning if we're not in love.
we could slow dance.
if you were my boyfriend.
don't you wanna be my..
nooo.

baby what's it gonna be, be, be.
is it you and me, me, me.

lets go, come on baby lets go.
baby if you just relax and think about what you wanna do;
and let your heart lead the way.
it will be okay, okay, okay.
but tell you'll wait, wait, wait.
i know you wanna make it rain for me.
no more drama.
no more pain for me.
yeah yeah..
maybe we can hold hands.
if you were my boyfriend.
here goes
i know you'll give me the moon and the stars above.
that has no meaning if we're not in love.
we could slow dance.
if you were my boyfriend.
