Don't worry da night just got started  
And u might end up coming home with me tonight  
And boy every time I look at u I feel it 4 sho'

So let's be lovers and friends (Ohh, I'm tellin u baby)

[Verse 2: Neshia]

Yeah boy I can be your lover  
Yeah boy I can be your friend

Hold hands, slow-dance, while the record spins  
Everytime I'm with u boy, u make me fell so comfortable,  
Yeah I know I use to play back then, now I'm all grown up like my girl Raven  
U wanna be my lover  
U wanna be my friend  
Wanna be da only nigga I call on, make love to, play fight with 'til da very end  
Now I know dat ain't messed up,  
So boy u betta stop trippin'  
Be n da back girl, it's time for me to get these whippin'  
Hell yeah I like it like dat,  
And I'm not gon' fight back,  
Yeah smack it like dat

So on all these days we laid,  
My legs can go their separate ways

No I don't have a man (I'm tellin' u this my baby)  
So let's be lovers and friends (Ohh, I'm tellin u baby)  
No I don't have a man (I know we right, oh it's time to be)

We been knowin' each other for so long  
We need to get our groove on  
So baby let's get it on  
To da left, to da right, to da middle

No I don't have a man (I'm tellin' u this my baby)  
So let's be lovers and friends (Ohh, I'm tellin u baby)  
No I don't have a man (I know we right, oh it's time to be)
