Gypsy Soul

Now it's time to put the past behind us

I wanna see you shining like the sun

Always reaching higher, keep it all in mind

Now we got to take it all the way today

'cause I'm a runner with the wind

I'm a Gypsy Soul

I am calling you again

Now it's time to go

I'm a runner with the wind

I'm a Gypsy Soul

There will always be tomorrow

Gypsy Soul

I hear you say you want to stay with me now

There comes a day when you know which way to turn

Not very far until we're finally home

It's time for us to head on down that road again

'cause I'm a runner with the wind

I'm a gypsy soul

I am calling you again

Now it's time to go

I'm a runner with the wind

I'm a gypsy soul

There will always be tomorrow

I'm a gypsy soul

Gypsy soul. . .

NOTE: This song is on the soundtrack to the Sylvester Stallone movie "Over The Top."
