

Asia, Orchard Of Mines

Don't taint this ground
With the colour of the past
Are the sounds in bloom with you?
'Cause you seem like
An orchard of mines
Just take one step at a time

CHORUS

Oh, and you seem to break like time
So fragile on the inside
You climb these grapevines
Would you look now
Unto this pit of me on the ground?
And you wander through these
To climb these grapevines

Vines

I'll say it to be proud
Won't have my life turned upside down
Says the man with some gold-forged plan
Of life so incomplete
Like weights strapped around my feet
Tread careful, one step at a time

CHORUS

BRIDGE

To know, to feel
To play me once again
Do you denote
From what we feel?
Do you not know?

BRIDGE

I see you've played the game
Do you denote?
