

Asia, Tell me why

Tell me why,
I don't believe in you.
I don't believe it's true.
I don't believe in you.
Happens nearly every time,
If you let them, they'll control your mind,
Yes your mind.
But that was only yesterday,
So you had to wash your head in hate.
In hate, in hate.
Tell me why,
I don't believe in you.
I don't believe it's true.
I don't believe in you.
Shall we stand against the wind?
Staring at the justice of their sins,
Their sins.
What have they done to live this way?
In a modern world, the fragile pay
They pay, oh yes they pay.
Tell me why,
I don't believe in you.
I don't believe it's true.
I don't believe in you.
