&lt;/lyrics&gt;

Off a street overflowing with people  
Is a backstreet alley that seemed to call out

You started crying like a typhoon  
Always one to make a sudden move

Let me be your umbrella when it rains  
So that you won't be the only one wet  
Let's go down to the ocean on a sunny afternoon  
A dream carried here by the wind

Feels like days like these will continue  
Even if we're caught in a sudden shower  
I'll do what I can to make you laugh

The afternoon's here  
Goodbye, traveler

Let me be your flag on windy days  
So you won't lose sight  
Let's look at the stars on a clear night  
A breezy evening

Feels like days like these will continue  
You know, today will eventually end  
I'll do what I can to make you laugh

Night's here  
Goodbye, traveler
