&lt;/lyrics&gt;

A white voice that tears the darkness  
Words that you spit  
Stab through the chest into the heart with frozen feelings  
The unending blue destination  
Awoke from the dream

Even if only the wound is closed, the feelings overflow  
And the realness you said or that  
Words are easy  
Without a dream our destination  
Awoke from the dream

Over here  
The plain and rushing evening like  
The distorted rail that rolls over the top  
As far as where? you said  
Even so until it disappears and runs out,  
I want to go

Far far away  
Even the meaning is lost but the impatience persists

The plain and rushing evening like  
The distorted rail that rolls over the top  
From day to day, the melancholy lurks  
Even so until it disappears and runs out,  
I want to live
