

# Asking Alexandria, I Won't Give In

Every breath you take  
I watch you slip away  
You're slowly killing yourself  
I won't give in

If my heart could sing, would you stay?  
Would you stay and listen?  
Would you stay and listen?

If my soul was torn, would you help?  
Would you try and fix me?  
Would you help un-break me?

Your smile, it eats me alive  
And I can't turn away any longer

Every breath you take  
I watch you slip away  
You're slowly killing yourself  
I won't give in

I'm a ghost of what's left of me  
Begging you to hear me  
Can you even feel me?

I can't let you go, save me please  
Will you stay here with me?  
Will you ever leave me?

Your smile it eats me alive  
I can't turn away any longer

Every breath you take  
I watch you slip away  
You're slowly killing yourself  
I won't give in

I gave you everything  
I never thought we would end up like this  
I gave you everything  
I can't let you go, save me please

I gave you everything.  
I won't give in

Every breath you take  
I watch you slip away  
You're slowly killing yourself

I'll be your light in the darkness  
Every breath you take  
I watch you slip away  
You're slowly killing yourself  
I won't give in

I gave you everything  
I never thought we would end up like this
