

# Aslan Faction, Weep For Me

Weep for me, weep for all mankind  
Accumulation of all fear  
Can't you see, can you see salvation  
Taste the bitter hatred of sanctity

Find me some shelter  
Find me some solace  
Kill me an innocent  
For sustenance

Jesus Christ  
Twist my emotion, tear my soul  
Weep for me  
Jesus Christ  
Find me some shelter  
Find me some solace  
Weep for me

Weep for you, weep for the children  
I'll give you something to cry about  
Can you feel, feel the division  
The truth is something we all die without
