Aslyn, Thats When I Love You

When you have to look away When you don't have much to say Thats when i love you, i love you, just that way

To hear you stumble when you speak or see you walk with two left feet Thats when i love you, i love you endlessly

And when your mad 'cause you lost a game forget i'm waiting in the rain baby i love you, i love you anyway

CHORUS

'cause heres my promise made tonight you can count on me for life 'cause thats when i love you when nothing you do can change my mind The more i learn, the more i love, the more my heart can't get enough Thats when i love you, when i love you no matter what

So when you turn to hide your eyes 'cause the movie it made you cry thats when i love you, i love you a little more each time and when you can't quite match your clothes or when you laugh at your own jokes thats when i love you, i love you more then you know

and when you forget that we had a date or that look you give when you show up late baby i love you, i love you anyway

CHORUS

oooh oooh thats when i love you when nothing baby, nothing you do could change my mine the more i learn, the more i love, the more my heart can't get enough thats when i love you, when i love you, no matter what

ooooh oooh, no matter what
