

Asp, The 6th Of September

Here comes the pain little lover
All the stains undercover
Do you cry?
You don't have to be ashamed!
Is it true, you can't remember
What we went through last September
I wonder why
And if you still think it's game

Follow me and I will take the lead
You can't get off a train in full speed

How far would you go?
How far would you go?
Without me you'll never know
If you want to learn to fly
The only way is to let go!
How far would you go?

It was so dark last September
A red mark in your calendar
What a mess
And you're trying to break free
All in black now cross the borders
'Cause I am back to give the orders
And confess -
Have you been missing me?

Follow me and I will take the lead
You can't get off a train in full speed

How far would you go?
How far would you go?
Without me you'll never know
If you want to learn to fly
The only way is to let go!
How far would you go?

Lover
All the stains undercover
Do you cry?
You don't have to be ashamed!
Do you cry?
You don't have to be ashamed!

How far?
How far?
How far?

How far would you go?
How far would you go?
Without me you'll never know
If you want to learn to fly
The only way is to learn go!
How far would you go?
How far would you go?
Without me you'll never know
If you want to learn to fly
The only way is to learn go!
How far would you go?
