

Ass Ponys, California Bingo

california bingo
man i must be dreaming
fascination on the midway
listen to him screaming
sounding like a preacher
calling in the sinners
says california bingo
everyone's a winner

oh i'm fucked i'm fucked
i'm fucked... again

when i'm on the midway
i'm looking for the freak tent
so i can seek salvation
in among the misfits
and when it comes showtime
i won't need a decoy
i'll be inside a glass jar
right beside the bird boy
