

Assassin, What Were Here For

All my life i'd waited for the right one to show up
Then you came into my life
You were all i'd ever wanted you were all i'd ever dreamed
I wanted you for my wife
Do you remember when our eyes first met
My heart skipped a beat
I thought you knew you were everything to me
You fell at my feet

(Chor)

I took your heart
I took your love
And threw it all away
I thought you didn't love me at all
Why did i hurt you
I wish this feeling would go away
But now i sit here waiting for the fall
Do you recall those nights in our bed
We were so much in love
I'd never felt this way about anyone before
You'd say you loved me
I'd say i'd never leave
And how i loved you more
Why did i go and leave you alone
Why did i say i wouldn't be coming back
It cuts me like a knife pushed through my heart
I feel a darker shade of black

(Chor)

I took your heart
I took your love
And threw it all away
I thought you didn't love me at all
Why did i hurt you
I wish this feeling would go away
But now i sit here waiting for the fall
