Assigned, All Alone

All alone I am waiting here
Hundreds of people but no one pays attention to me
Everyone is ignoring me
And I don't know what I'm doing wrong
Ref:
Where Are You?
I feel so alone.
My face is showing you my fear
I can't stick it any longer here
Running away, don't know where to hide
I don't know who is gonna hear me
Only yout can pull me out
But I can't feel you now
