

# Astarte, Deviate

I roll on shadow sphere  
My will is out of fear  
Pain, hate and lust  
Truth is where you crass.

Torture Trap  
My inner-break  
Swallow fear  
Of mind.

Deviate/Violence Erase  
Deviate/Violence Break  
Deviate/Invoke  
Deviate/Accept your fate

I roll on shadow sphere  
My will is out of fear  
Pain, hate and lust  
Truth is where you crass.  
Plug their minds twist them till they die.  
Darkness of my Fate  
Deviate
