Asteroids Galaxy Tour, Heart Attack

I'd do 22 states and half a mile Just to see your face before I die I don't care if all the lights are red I've got a wild horse running right through my head

Well jeez Louise now don't you stop 'Cause I'm not half way through of having enough You and me until we drop We're gonna hip shake escape Come on take-me-to-the-top

You got me head over heels on gasoline You know how it feels like nicotine Head over heels go raise your flag Come on Bang Bang Bang give me heart attack Heart attack

Burning down the wheels tonight Hey! Are you ready Burning down the wheels tonight Hey! Are you ready Burning down the wheels tonight Hey! Hey! You ready Burning down the wheels tonight

My man knows what it's all about He will shoot me first then ask me out It was meant to be right from the start Yeah he carved his name into my heart

Well jeez Louise a love roulette Yeah we got good times rolling in a red corvette You and me in silhouette We're gonna hip shake escape Do the things we never dared

You got me head over heels on gasoline You know how it feels like nicotine Head over heels go raise your flag Come on Bang Bang Bang give me heart attack Heart attack
