

Astrud Gilberto, (Take Me To) Aruanda

Vai, vai, vai pra Aruanda
Vem, vem, vem de Luanda
Deixa tudo que triste
Vai, vai, vai pra Aruanda

Vai, vai, vai pra Aruanda
Vem, vem, vem de Luanda
Deixa tudo que triste
Vai, vai, vai, vai pra Aruanda

There's a land, Aruanda
Diamond sand, Aruanda
Silver stars on the hill top
Take me to Aruanda

Lots of fish in the stream there
Lots of time just to dream there
Golden sun in the valley
Take me to Aruanda

There where nobody worries
There where nobody hurries
Easy life waving a welcome
Take me there

Leave my sadness behind me
Let sweet paradise find me
Heaven waits over yonder
Take me to Aruanda

There where nobody worries
There where nobody hurries
Easy life waving a welcome
Take me there

Leave my sadness behind me
Let sweet paradise find me
Heaven waits over yonder
Take me to Aruanda
Take me to Aruanda...
