

# At Cliffs End, Drop That Zero And Get With The Hero

Remember all the Times  
before they fade away  
Is this what you've always dreamed of?  
Does it kill you?  
when you sleep at night..  
when your all alone..  
when your all alone...

[Chorus:]

You slapped my heart and broke my FACE!

Remember all the times  
Remember all the places  
you liked.  
you opened up my eyes when ..  
you knew I was scared.  
you filled empty spaces.  
all those times..  
before they fade away.  
Remember your last words  
what you said to me  
is this just what you think of me now?  
Does it always come to all of this?  
when your all alone..  
when your all alone..
