

# Atari Teenage Riot, Ghost Chase

The Atari Teenage Riot dealing with the devil.  
Sell your soul...  
You think you can buy the energy - but you're wrong.  
You feel just a hole deep inside? then you're dead!  
See your chances when they come  
and you will feel yourself alive  
nobody else can touch you - just go with the  
Atari Teenage Riot!  
Just hit'em with the evil eye... why don't you just... just...  
we ain't gonna go!  
It's the attitude - nothing matters  
I ain't gonna go...  
The days keep passing by  
and I feel  
that I've made too many compromises already!  
The problem isn't time - no time to choose  
you win one you lose two!  
you lose what the hell you're scoring for!  
Mash up! Mash up! the place the place the place up!  
the hipper blast ghost chase!  
Real for real - eye for an eye  
Mash up Mash up...  
Light the fire! now! two years more to go...  
we burn the hell that you created!  
And if it's the last thing we do  
Mash up Mash up...  
you think you can buy the energy - but you're wrong!  
You feel just a hole deep inside? then you're dead!  
See your chances when they come  
and you will feel yourself alive  
nobody else can touch you - just go with the...
