

# Atari Teenage Riot, U.S. Fade Out

The mistery of the New World Order  
America - You should leave  
You should leave...  
America - You should leave

If you can't live your dream  
And only the fear of dying  
Keeps you going  
And then your life becomes  
Just another digital restorage!  
We are sentenced to death  
Before we were even born!  
I can't feel you anymore!  
I can't feel you anymore!  
You fade away! You fade away! (x8)  
Away...
