

ATB, Feel You Like a River

I can feel you across the miles in my body
Almost physical - spiritual
like there was no separation
like you were right beside me
like a river
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river
never dies
Remember the bridge we crossed out over the water
with the sun streaming in through the leaves
We can keep it alive
Was just energy
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river
never dies
And I feel, I feel, I feel you like a river
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river
never dies
And I feel, I feel, I feel you like a river (x3)
