## ATB, Feel You Like a River

I can feel you across the miles in my body Almost physical - spiritual like there was no seperation like you were right beside me like a river I can feel forever in my mind I can always reach for you inside We can stay together in our minds Feel you like a river never dies Remember the bridge we crossed out over the water with the sun streaming in through the leaves We can keep it alive Was just energy I can feel forever in my mind I can always reach for you inside We can stay together in our minds Feel you like a river never dies And I feel, I feel, I feel you like a river I can feel forever in my mind I can always reach for you inside We can stay together in our minds Feel you like a river never dies And I feel, I feel, I feel you like a river (x3)
