

# ATB, Here With Me (A&T Remix)

You're the one that turns me on  
Been waiting for you, oh so long  
You're the one that turns me on  
Feels like you've been gone an eternity  
You're the one that turns me on  
Been waiting for you, oh so long  
Can't believe that you are here with me  
You're the one that turns me on  
With someone else it feels so wrong  
Feels like you've been gone an eternity  
Want to start anew never saying I'll make do  
You've won me over again with your lovin' charms  
Want to start anew we were never really through  
Can't believe that you are here with me

Want to start anew never saying I'll make do  
You've won me over again with your lovin' charms  
Want to start anew we were never really through  
Can't believe that you are here with me  
Want to start anew never saying I'll make do  
You've won me over again with your lovin' charms  
Want to start anew we were never really through  
Can't believe that you are here with me  
Want to start anew never saying I'll make do  
You've won me over again with your lovin' charms  
Want to start anew we were never really through  
Can't believe that you are here with me
