

ATB, Here With Me (A&T Remix)

You're the one that turns me on
Been waiting for you, oh so long
You're the one that turns me on
Feels like you've been gone an eternity
You're the one that turns me on
Been waiting for you, oh so long
Can't believe that you are here with me
You're the one that turns me on
With someone else it feels so wrong
Feels like you've been gone an eternity
Want to start anew never saying I'll make do
You've won me over again with your lovin' charms
Want to start anew we were never really through
Can't believe that you are here with me

Want to start anew never saying I'll make do
You've won me over again with your lovin' charms
Want to start anew we were never really through
Can't believe that you are here with me
Want to start anew never saying I'll make do
You've won me over again with your lovin' charms
Want to start anew we were never really through
Can't believe that you are here with me
Want to start anew never saying I'll make do
You've won me over again with your lovin' charms
Want to start anew we were never really through
Can't believe that you are here with me
