

# ATB, Hold You

All the things that I told you  
All the things that I never mentioned  
All the things that I told you twice

Give me something to turn to  
Like an answer that has no question  
Give me something that I can fight

CHORUS: I don't want to hold you  
I don't want to hold you down  
I don't want to hold you down

I will always adore you  
As the line with no intersection  
Never knows what it means to cry

Chase the wind and she'll steal you  
Trap the heart and you'll never get it  
These are things that I've learned from life
