

ATB, Hold You (M.O.R.P.H. Mix)

All the things that I told you
All the things that I never mentioned
All the things that I told you twice
Give me something to turn to
Like an answer that has no question
Give me something that I can fight
I will always adore you
As the line with no intersection
Never knows what it means to cry
Chase the wind and she'll steal you
Trap your heart and you'll never get it
These are things that I've learned from life
I don't want to hold you
I don't want to hold you
I don't want to hold you
I don't want to hold you
I don't want to hold you
