ATB, Hold You (M.O.R.P.H. Mix)

All the things that I told you All the things that I never mentioned All the things that I told you twice Give me something to turn to Like an answer that has no question Give me something that I can fight I will always adore you As the line with no intersection Never knows what it means to cry Chase the wind and she'll steal you Trap your heart and you'll never get it These are things that I've learned from life I don't want to hold you I don't want to hold you
