

# ATB, You're Not Alone

In a way it's a, a matter of time  
I will not worry for you, you'll be just fine  
Take my thoughts with you and when you look behind  
You will surely see a face that you recognize  
You're not alone  
You're not alone, I'll wait till the end of time  
Open your mind, baby it's time for me and you  
You're not alone, I'll wait till the end of time for you  
Open your mind, baby it's time for me and you  
You're not alone, I'll wait till the end of time for you  
Open your mind, baby it's time for me and you  
You're not alone, I'll wait till the end of time for you  
Open your mind, surely it's plane to see  
It is the distance that makes life a little hard  
Two minds that once were close now so many miles a part  
I will not falter though, I'll hold on till your home  
Safely back where you belong and see you how our love's grown  
You're not alone, I'll wait till the end of time  
Open your mind, surely it's plane to see  
You're not alone, I'll wait till the end of time  
Open your mind  
You're not alone, I'll wait till the end of time  
Open your mind, surely it's plane to see
