

ATB, You're Not Alone

In a way it's a, a matter of time
I will not worry for you, you'll be just fine
Take my thoughts with you and when you look behind
You will surely see a face that you recognize
You're not alone
You're not alone, I'll wait till the end of time
Open your mind, baby it's time for me and you
You're not alone, I'll wait till the end of time for you
Open your mind, baby it's time for me and you
You're not alone, I'll wait till the end of time for you
Open your mind, baby it's time for me and you
You're not alone, I'll wait till the end of time for you
Open your mind, surely it's plane to see
It is the distance that makes life a little hard
Two minds that once were close now so many miles a part
I will not falter though, I'll hold on till your home
Safely back where you belong and see you how our love's grown
You're not alone, I'll wait till the end of time
Open your mind, surely it's plane to see
You're not alone, I'll wait till the end of time
Open your mind
You're not alone, I'll wait till the end of time
Open your mind, surely it's plane to see
