

ATB, You're Not Alone (2nd Clubb Mix)

In a way it's all a matter of time
I will not worry for you
You'll be just fine
Take my thoughts with you
And when you look behind
You will surely see a face that you recognize
You're not alone
In a way it's all a matter of time
I will not worry for you
You'll be just fine
Take my thoughts with you
And when you look behind
You will surely see a face that you recognize
You're not alone
I wait till the end of time
Open your mind
Surely it's plain to see
You're not alone
I wait till the end of time
Open your mind
Baby, there's time for me and you
You're not alone
I wait till the end of time
Open your mind
Surely it's plain to see
You're not alone
I wait till the end of time
Open your mind
Baby, there's time for me and you
You're not alone
I wait till the end of time
Open your mind
Surely it's plain to see
It is the distance
That makes love a little hard
Two minds that once were close
Now so many miles apart
I will not falter though
I hold on to your home
Safely back where you belong
And see how our love is grown
You're not alone
I wait till the end of time
Open your mind
Surely it's plain to see
You're not alone
I wait till the end of time
Open your mind
You're not alone
I wait till the end of time
Open your mind
Surely it's plain to see
