

Ateed, I Want It All (Good One)

My time is running out
My head is turning
No matter what I do I'm stuck on you
I can't controll my hunger for more and more
'Cause all I think about is a way to get through
(All I think is about the hunger)

I can't believe
That I can't receive
'Cause this is where I belong

CHORUS

I want it all(I want it all)
and I want it now(and I want it now)
As a matter of fact
you better step back
'cause I'm here to take everything
I want it all(I want it all)
and I want it now(and I want it now)
As a matter of fact
you better step back
'cause I'm here to take everything

I hear the driftin' drums
from deep down under
Believing it will guide my way to you
Affraid to lose my way
along this journy
Affraid to be the one
who's gonna fade
(all I see is the fear to get lost)

I can't believe
that I can't receive
'cause this is where I belong

CHORUS

I want it all(I want it all)
and I want it now(and I want it now)
As a matter of fact
you better step back
'cause I'm here to take everything
I want it all(I want it all)
and I want it now(and I want it now)
As a matter of fact
you better step back
'cause I'm here to take everything

This is what I really needed
my ego is defeated
I can't just see my victory
and wish I'm beated

CHORUS

I want it all(I want it all)
and I want it now(and I want it now)
As a matter of fact
you better step back
'cause I'm here to take everything
I want it all(I want it all)
and I want it now(and I want it now)
As a matter of fact
you better step back
'cause I'm here to take everything
