Athelete, Airport Disco

Just a blur of red and yellow Lovers dancing to the beat I saw you at the center of it all The most beautiful thing Oh, I wanna take you home with me tonight I wanna take you home with me tonight Some are here to remember And some are here to forget That we used you for nothing And we couldn't care less Oh, beautiful world Can I win you back? Beautiful world Have you figured it out yet? Have you figured it out yet? So why don't you share it with us? Just a blur of red and yellow That everyone chose to ignore We all sucked that beauty from you And kept coming back for more Oh, beautiful world Can I win you back? Beautiful world Have you figured it out yet? Have you figured it out yet? So why don't you share it with us? Oh, beautiful world Can I win you back? Beautiful world Have you figured it out yet? Have you figured it out yet? So why don't you share it with us? Have you figured it out yet? Have you figured it out yet? So why don't you share it with us? With us
