

# Athenaeum, Anyone

It's very very necessary  
To take things as they come  
No hurry don't get yourself worried  
I know you're not that dumb  
Oh anytime you want  
I'll be there for you  
Anywhere you are  
Is where I'm running to  
And anyone would agree  
I'm so right for you  
Anyone

It's easy it's so very easy  
So why are you so sad  
Take all your problems  
Know that you can solve them  
It might not be that bad  
Oh anytime you want  
I'll be there for you  
Anywhere you are  
Is where I'm running to  
And anyone would agree  
I'm so right for you  
Anyone
