

# Athenaeum, Radiance

Goodnight sleep tight  
My movie star  
You don't know how fortunate you are  
You said you had a job you didn't like  
Nothing to lose  
You're running from the things you can't fight  
But they all catch up with you  
Living in the wrong place, wrong time  
Searching for the things you couldn't see  
I could never stand in your light  
But at least you noticed me  
Living in the wrong place wrong time  
Searching for the things you'll never do  
But if it makes it easier on your life  
I hope they notice you  
Goodnight sleep tight  
My movie star  
We don't know how fortunate we are  
Did you ever have a dream where you couldn't speak  
Or you couldn't scream?  
You're running from the past that makes you weak  
I know what you need  
Living in the wrong place wrong time  
Searching for the things you couldn't see  
I could never stand in your light  
But at least you noticed me  
Living in the wrong place wrong time  
Choked about the things you'll never do  
But if it makes it easier on your life I'm on my way  
I'm on my way
