

Athlete, Chances

Take all your chances while you can
Never know when they'll pass you by
Like a sum the mathematician cannot solve
Like me trying my hardest to explain

It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over

If I had the chance to start again
Then you would be the one I'd come and find
Like the poster of Berlin on my wall
Maybe there's a chance our walls might fall

It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over

It's all about your cries and kisses
Those first steps that I can't calculate
I need some more of you to take me over
I've no idea 'cause
I can't calculate
How to start again
How to start again
How to start again
How to start again
It's all about you
