

# Athlete, You Know

You are loved and you know you are  
Yeah you know, you know, you know you are  
And you know, you know, you know you are  
You'll endure and you know you will  
Yeah you know, you know, you know you will  
And you know, you know, you know you will

But you can't count it on your fingers  
'Cause there's more than you think  
You can't use your head to figure  
'Cause there's much too much  
For our little minds to deal with  
So let's get it up

You will reap and you know you will  
Yeah you know, you know, you know you will  
And you know, you know, you know you will

But please don't every try to  
Count it on your fingers 'cause there's more than you think  
You can't use your head to figure 'cause there's much too much  
For our little minds to deal with so let's get it up

But you can't count it on your fingers  
'Cause there's more than you think (just try)  
You can't use your head to figure (yeah yeah)  
'Cause there's much too much (yeah)  
For our little minds to deal with so let's get it up

One two three  
Give it up, lift your hands, everybody  
Give it up, lift your hands, everybody, everybody  
Give it up, lift your hands, everybody  
Give it up, lift your hands, everybody, everybody  
Give it up, lift your hands, everybody  
Give it up, lift your hands, everybody, everybody  
Give it up, lift your hands, everybody  
Give it up, lift your hands, everybody, everybody  
Give it up, lift your hands, everybody  
Give it up, lift your hands, everybody
