

Atlantic Starr, Secret Lovers

Here we are, the two of us together
Taking this crazy chance to be all alone
We both know, that we should not be together
'Cause if they find out, it could mess up
Both our happy homes
I hate to think about us only not together
As soon as I look at you, it will show on my face
Then they'll know, that we've been loving each other
We can't let'em know, no, no, no
We can't leave a trace
Sitting at home, I do nothing all day
But think about you and hope that you're okay
Hoping you call, before anyone gets home
I wait anxiously, alone by the phone
How could something so wrong be so right?
Wish we didn't have to keep our love out of sight
Living two lives, just ain't easy at all
But we gotta hang, on in there or fall
Secret lovers, that's what we are
Trying so hard to hide the way we feel
'Cause we both belong to someone else
But we can't let go, 'cause what we feel is oh, so real
So real, so real
You and me, are we friends?
Is this cool, or do we care ?
Can they tell, what's in our minds?
Maybe we'll be secret lovers all of the time
In the middle of making love, we notice the time
We both get nervous, 'cause it's way after nine
Even though we hate it, we know it's time that we go
We gotta be careful, so that no one will know
Secret lovers, that's what we are
We shouldn't be together
But we can't let go, 'cause what we feel is oh, so real
So real, so real, so real, so real
