

# Atlantic Starr, Send for Me (Single Version)

I don't know what was said, my baby  
I thought that everything was fine  
You say you got to get away to find yourself  
Now lady, can't you tell it's written all over my face  
My days and nights would be a living hell if you go away  
So think about the misery that you're gonna put me through, oh  
Goodbye, doesn't mean a thing with you and I, oh no no  
Our love has stood through all the test of time, yes, it has  
If you're planning to leave me behind, oh  
Let me put one more thing on your mind  
If you ever need me baby, send for me  
I'm just a telephone call away, send for me  
Put a message in a bottle baby, baby, baby, send for me

See you're my everything, sweet baby  
My whole world revolves around you  
Nothing is what I am without you here in my life, yeah  
Goodbye oh, doesn't mean a thing with you and I, oh  
Our love has stood through all the test of time, yes, it has  
If you're planning to leave me behind, oh  
Let me put one more thing on your mind  
If you ever need me baby just send for me  
I'm just a telephone call away, yeah, send for me  
Put a message in a bottle baby, yeah, send for me  
Put a message in a bottle baby, yeah  
Send oh oh, send for me
