## Atom And His Package, Meatball

meatball bouncing around and around you can hear the sound of my head moving side to side jump in my car we can go for a ride all over town you can hear the sound of my head bobley bobley i'm a meatball i'm a meatball meatball look at me so fat hey i like my belly like that big and fat and round and my head rolling about

yeah meatball(meatball) meatball (meatball) meatball (meatball) meatball (meatball)

i'm a meatball big and fat i'm a meatball how about that my head is so big like a meatball rolling around can't you hear it? can't you hear it? bobity bobity bobity boo
