

Atom And His Package, Meatball (live)

meatball bouncing around and around
you can hear the sound of my head moving side to side
jump in my car we can go for a ride
all over town you can hear the sound
of my head bobby bobby
i'm a meatball i'm a meatball
meatball
look at me so fat
hey i like my belly like that
big and fat and round
and my head rolling about

yeah meatball(meatball) meatball (meatball) meatball (meatball)
meatball (meatball) meatball

i'm a meatball big and fat
i'm a meatball how about that
my head is so big like a meatball
rolling around
can't you hear it? can't you hear it?
