Atom Tha Immortal, The Day Of Atonement

Chorus:

Two thirds of them are killed within Jerusalem/
One third of them escape into the wilderness/
The Many shall perish by the sword/
The other will be given to Azazel by the LORD/

Prepare for the next Holocaust/
When I let off/
With lyrical, physical body is lost/
The spiritual is in its place/
Redefine your paradigm/
I'll re-align your mind, have it pointed at Palestine/
Looking onwards/
Beyond words contained/
Within my pain a prophetic parable is explained/
Ripping mainframes from main veins/
My main aim/
Take your brain to a level of thought/
It has not attained/
Bring enlightenment/
Take a look around you/
The world is coming together, with or without you/
I doubt you/
Have what it takes to comprehend/
That we're near the end/
The Roman Empire has begun again/
The Fourth Reich resurrected from the ruins/
The continent of Europe is now the European Union/
In communion with the Beast/
Preparing for the leader who will bring world peace/

(Chorus)

From the Mount of Olives/
I look towards the Wailing Wall/
Wailing, all who were slain/
Pain remains for the same/
Remnant of life/
Pierced through by a withered hand/
The man who's army comes against the seed of Abraham/
In the Beautiful Land, he pitches his tent/
Defenses are useless/
Against the god of the ruthless/
Who chooses/
To proliferate hate with Horns/
The goat on the altar/
Marked for slaughter/
Has its flesh torn/
The Nephalim reborn/
A covenant with Death/
He is the Son of Iniquity/
Conquering in military victory/
He claims his divinity/
And challenges the Most High Trinity/
Then he sets his sights on the remnant of Isra'el/
Who flees into the wilderness/
For one thousand, two hundred and sixty days/
In Bozrah she stays/
Waiting for the Son of Man to save/
"In the whole land," declares the LORD, "Two-thirds will be struck down and peris
"Yet one third will be left in it"/
"This third I will bring into the flame"/
"I will refine them like silver"/

"And answer them, when they call upon my Name."

(Chorus x 2)
