ISLAND OF LOST SOULS

Blondie

(Harry/Stein)

In Babylon on the boulevard of broken dreams my will power at the lowest ebb

Oh what can I do?

Oh buccaneer!

Can ya help me put my truck in gear?

Can ya take me far away from here save my soul from sin?

"You wanna get away?

You've had it man?

Nothing's going right so come sit on the sands of the island!

Island of lost souls

No luxuries No no!

Amenities Too dull your senses Oh oh!

Only primitive! Hey hey "really get away!" is what he said

Where did he go?

I'm tired of waiting here for him

Where can he be?

He's not with me!

Where did he go?

What will I do alone?

Why did he run run away from me?

"The sky is blue the sea is warm and clear and golden sands

Are calling out to you Inviting Make a new man outta you

You can come for a while come with a friend forget about work start all over again

Let the real you through Here's what we do

Where did he go?

I'm tired of waiting here for him

Where can he be?

He's not with me!

Where did he go?

What will I do alone?

Why did he run run away from me?

Oh-oh oh-oh!

Oh buccaneer!

Can ya help me put my truck in gear?

Can ya take me far away from here save my soul from sin?

No luxuries No no!

Amenities Too dull your senses Oh oh!

Only primitive hey hey really get away

Island of lost souls
