

Atomic Kitten, Bye Now

Lately in my life I'm
Finding it harder to be
Certain of feelings that I
Thought would always be
Playing the game was easy
Saying the things that pleased me
But through it all
I can see the love has slipped away

(Bye now - gotta say, say goodbye now)
Take this love away from me
(Bye now - gotta say, say goodbye now)
Set my soul and spirit free
(Bye now - gotta say, say goodbye now)
Take this love away from me
(Bye now - gotta say, say goodbye now)
Let me be what I can be
Go and just leave me
Go make it easy on yourself

Lately in my life I'm
Finding I struggle if I
picture myself no longer
Underneath your spell

Chorus

I can't stand to see you
Couldn't bare to feel you
Its tearing my heart
In two

Chorus

Bye now, take this love away from me
Bye now, can't you see what i can see
Bye now, that with you I'll never be
Bye now, so take your love away from me

Go and just leave me
Go make it easy on yourself
